Author Dianne Kaye concludes action-packed trilogy with 'Jaden's Grace'

A thrilling tale of survival, redemption and forgiveness awaits readers in this new novel

ROSEBURG, Ore. – Dianne Kaye, author of the compelling trilogy that includes “Misled” and “Resolution,” invites readers on a thrilling conclusion with the release of “Jaden’s Grace” ([published by Xlibris](#)).

The novel follows the young half-Latina, Grace Sanchez, who finds herself caught up in an immigration crisis and cartel activity. Upon hearing her long-lost daughter is trapped in Mexico, Nadine Jaden Hawke contacts her lover, ex-CIA field officer, Stephan Peltzini. Lt. Drummond, the RAND Service, and detectives from San Diego and San Francisco, join Peltzini to search for Jaden’s Grace. The search and rescue operation leads to a thrilling tale of survival, redemption and forgiveness.

“Jaden’s Grace” completes the third book in a trilogy. For the readers, who read “Misled” and “Resolution,” it ties up loose ends for the main characters. The novel also embeds reality in the fictional story, touching on important current issues such as immigration crisis at the Mexican border, drug smuggling, sex trafficking, cartel activity, and missing indigenous women.

When asked what she wants readers to take away from “Jaden’s Grace,” the author says, “We are all haunted by ghosts from the past, made mistakes, suffered heartaches and regrets. Yet, we pick ourselves up by the bootstraps and climb back in the saddle, again and again. With love and support, truth, and faith, we can overcome most any crisis.”

About the Author

Dianne Kaye, retired from human services in 2013, began writing fiction and spotlighting current social issues. In “Misled,” she introduces the religious concept of soul-ties and uses divine intervention to help a woman break free from a bond. In “Resolution,” the dark side of humanity is exposed during the pursuit of a corrupt antique dealer and recovery of a stolen family fortune. In “Jaden’s Grace,” Kaye tells a story about a young woman trapped in Mexico, caught up in the immigration crisis, cartel activity, and the frantic search to find her. Kaye gives the characters credit for turning a torrid love affair between Jaden Hawke and Stephan Peltzini, into an action-packed trilogy.
